Additionally to the property- and apartment relevant data, I/we will receive information concerning the tenancy agreement for the cooperation decision. As far as tenant related data were included, I/we will observe the relevant data protection regulations. This applies also in the case that the documents allow a personal reference to other owners of the condominium.

All data and information, which are forwarded to me/us, are only used for the purpose of my/our cooperation decision. The transfer of such data to third parties is not permitted. All data and information are to be destroyed or returned immediately upon failure to conclude a distribution contract.

By my/our signature, the above considerations are expressly acknowledged.
